LEADERSHIP

Andrew D. Powell

Vice President of Business Development

AT A GLANCE

WITH ALCHATEK SINCE
2013, the company's inception

CREDENTIALS
TWIC, MARTA Track Safety, Confined Space

PREVIOUS ROLE
Sales Manager and Field Technician, HP Industries

CLIENT EXPERIENCE
State DOTs, Army Corps of Engineers, Duke Energy, Florida Power and Light

Andy Powell has been with Alchatek since the inception of the company in 2013. His experience includes manufacturing, application, equipment, estimating, field service, and training for the entire product line. TWIC, MARTA Track Safety, and Confined Space Certified, Andy has worked with many clients including several state departments of transportation and high-profile institutions such as the Army Corps of Engineers, Duke Energy, and Florida Power and Light.

Prior to employment with Alchatek, Andy served as Sales Manager and Field Technician for HP Industries, a supplier/contractor for the concrete pipe and precast manufacturing industry. He was responsible for sales, AutoCAD, equipment installation, and employee training for pipe machinery and reinforcement equipment. His territory included the entire US, Canada, Puerto Rico, Turkey, and China.

The last 8 years of service with HP included running a contracting division performing epoxy and polyurethane injection for infrastructure and utility contractors and engineers such as Layne and Tetra Tech.
